

Posted: March 28, 2018

In accordance with Section 6.26.2 of its tariff, Northern Border Pipeline Company is providing notification of available capacity on its system.

Northern Border Pipeline Company is holding a bid period that will close on March 29, 2018. Capacity will be awarded on a first come, first served basis beginning at 8:30:00am CST.

Shippers must access the Customer Activities section of Northern Border's website in order to electronically submit bids. The capacity is identified below by Term, Transportation Path, and Maximum Receipt Quantity (MRQ) in Dkt per day.

Each offer will be independently evaluated and awarded.

Offer Number: 1

Effective Date: April 1, 2018

Termination Date: April 2, 2018

Transportation Path: Port of Morgan (Receipt) to North Hayden (Delivery)

MRQ: 76,992 Dkt per day

Offer Number: 2

Effective Date: April 1, 2018

Termination Date: April 2, 2018

Transportation Path: Port of Morgan (Receipt) to Harper (Delivery)

MRQ: 68,410 Dkt per day

Offer Number: 3

Effective Date: April 1, 2018

Termination Date: April 2, 2018

Transportation Path: Port of Morgan (Receipt) to Ventura (Delivery)

MRQ: 219,221 Dkt per day

Parties desiring to submit a bid must satisfy the creditworthiness provisions set forth in Northern Border's tariff. Bids must indicate the term, reservation rate, the transportation path, and the quantity bid in Dkt per day. Northern Border reserves the right to not accept Bids at less than the Maximum Rate.

Bids must be submitted electronically via Northern Border's Customer Activities website under Firm Capacity Bid.
