

Posted: 05/27/2021

In accordance with Section 6.26.2 of its FERC Gas Tariff ("Tariff "), Northern Border Pipeline Company is providing notification of available capacity on its system.

As of this notice Northern Border Pipeline Company ("Northern Border") is holding an open season with a bid period that will close May 28, 2021. Capacity will be awarded on a first come, first served basis beginning at 8:30:00am CST.

Parties must satisfy the credit worthiness provisions set forth in Section 6.40 of the General Terms & Conditions of Northern Border's Tariff prior to submitting a bid. A bid for capacity that is included in this notice which exceeds the bidder's qualified level of credit worthiness will not be accepted. Potential bidders are encouraged to contact the credit analysts listed below prior to bid submittal to determine whether sufficient credit has been established for their bid.

The available capacity Start Date, Termination Date and MRQ in Dth per day is identified below.

Transportation Offered:

Start Date: June 1, 2021

Termination Date: June 1, 2021
