## **Statement of the Nature, Reasons and Basis for Filing**

On December 4, 2017, in lieu of filing an NGA section 4 rate case, Northern Border filed the Settlement, which reflects the agreement reached by Northern Border and its shippers on various issues, including rates for three time periods (“Settlement Rates”). On February 23, 2018, the Commission approved the uncontested Settlement, finding it fair, reasonable, and in the public interest, and directed Northern Border to file tariff records that implement the Settlement consistent with its terms.<sup>3</sup>

To comply with the Commission’s directive in the Settlement Order, Northern Border is submitting, as Appendix A, tariff sections to place the Period Two Settlement Rates into effect on April 1, 2018.<sup>4</sup> The Settlement Rates submitted herein are identical to those reflected on the Period Two *pro forma* tariff sections contained in the Settlement.<sup>5</sup>

## **Motion to Place Tariff into Effect**

Northern Border respectfully requests that the proposed tariff section included as Appendix A be accepted without addition, modification, or deletion and be placed into effect on April 1, 2018.

---

<sup>3</sup> *Northern Border Pipeline Company*, 162 FERC ¶ 61,157, at P 18 (2018) (“Settlement Order”).

<sup>4</sup> Article IV.A.2 of the Settlement provides that the Period Two Settlement Rates will go into effect on April 1, 2018. The Period One Settlement Rates went into effect January 1, 2018. The Period Three Settlement Rates will go into effect January 1, 2020.

<sup>5</sup> The *pro forma* tariff records containing the Period Two Settlement Rates were included as Appendix A.2 of the Settlement.
