### Statement of Nature, Reasons, and Basis for Filing

This filing is being submitted to update Northern Border's reporting of negotiated rate transactions initiated in accordance with the Commission's May 16, 2001, order in Docket No. RP01-377-000.<sup>3</sup> Within Northern Border's Tariff, Section 4.8 lists each negotiated rate agreement, identifying the: a) shipper; b) agreement number; c) applicable rate schedule; d) contract quantity; e) reservation charge; f) commodity rate; g) primary receipt and delivery points; and h) termination date.

The negotiated rate service agreement between Northern Border and Sequent Energy does not contain any provision that deviates in any material respect from Northern Border's T-1 Form of Service Agreement in its Tariff.
